Sidenness, June 11.

The delegates of the ficets finding themselves deferred by to many of their companions, definited of being able to effect their purpole; and according to the bell information that I can called, they are now willing to actum to their dary, provided his majerity's pardon is extended to them, a memory with their deluded brephren. An internationable, "rick was yetlereday made as authoral dickner; and, as a proof of the interrity of their effects of the companion of the interrity of their editions, and in the law entire the proof of the interrity of their editions, and in the law entire the edition of the interrity of their editions, they have fruck for a time the edition of the interrity of their editions, and include the edition of the on being informed that it was the in-acciding of givernment that the indi-lyndars could legally affice for their orimes, the emblem of defines was a-gain helited, and there are at this inq-

ent 14 or 15 red flags flying at the fore. In the mean time, admiral ment 14 or 15 o'd flags figling at the Nove. In the mean time; admiral Bockner has reat to the admiral type fraction intractions with effect to the fractic conduct to be offer well owards the marineers. Capt. Night, of the Hontague, who has 'et out town is the bearer of the admiral's fetters, the andwer of their to athirst to which will decide the fare of the delegates. Lieutenants Ryder and finite, of the Nation and topale, also fer our ceeding infermation to the levis of the admirally respecting the present capture relative prefering the present condition information to the levels of the admi-ralty respecting the present condition of the fleet. The ships which escaped yestershay are now under the protecti-en of the batteries. The rempartia-ting the Nove is fully manueds the reshot balls continue in a lare of preparation.

#### BOSTON, August 7.

BOSTON, Austin 7.

By captain Smith from 3t, Peterfourph, arrived fince our ist, we learn, that while lying at Ellinoire captain 3 dined with an Englith captain directly from London, who into make him, that coming not of the Thomas, he was tropped, by the matinous fleet, and had all nisprey liber station our fleet, and had all nisprey liber station on hims; that he put into Harvych for a fupply; while he lay these, the fleet got under vay, and patied him; defination unknown; this was about the fourteenin of Juse.

Nothing is faid in the Quibec paper of the other di coveries, am licating a number of the principal ennacties in the flate of Vermon", it is not course prefumed that the publication on that intject is premature.

NEW-YORK, August 7.

Last evening arrived the ship Marguer, cappin Bebea, from Haves de Grace, which he leit on the 15th June. Capt. B. Tay in the alter the day before he failed, dated Paris June 13, in the evening, which mentioned the arrival that day of 10td Sr. Helen, as ambassador from the court of London. to treat on a peace. Our London papers do not mention the fetting out of manufallador, though there has been time chough lines the experience of the passible of the court of London. The above letter was received by Mr. Echer, the metalent who trained of Mr. Beebes hadness, at London paper of June 13, has this importantitle!

We have received Paris Journals up Wichard received raths positions of to the toth inft. Their contents are not very interesting, if we except the following paragraph, which, we be-lieve, has some claim to truth, in the

Here, has some claim to truth, in the statement it gives:
"It is shid that the Directory has replied to the dispatches feat from the cubinet of St. Jame's that they would consent to release negotiations; but that in order to prevent distructies dimitar to those which had led to the miscarriage of lord Malmesbury's mil fion, some preliminaries until to a greed to by the control London, they would concur in accelerating a peace on just and honorable condutions for both nations.

on just and honorable conditions for both nations.

It is find that Parker, the ring-leader of the munineers, has fecured the Pylades floop of war, and manued her with his own creatures, in order tareflure his cleape. He attempted to remove the crew of the Hound wind their file.

Capt. Rebec, on the 1th inft. boarded the filip, he they have been underly his left just early he for the life, when the affairs of Ireland were fill in an unfettled dage.

bedience—en which the revisof the frigates manifested a citoofsten to return to their duty.—It is secupit, fore fish, of 24 ands, and a floop of war, vertuaring to day, altempted to elegap, were uned-on by the natineers and much flattered.

I use 9 and 10.

No prospect of tabanishion among the disps. The propositions made by the delegares to the admirately, were not granted by the uninitity, and no alternative remained but force. Two fleips, the Leopard of 50 game, and Repulfe, of 64 gams, returning to obe-dience, cut their cables and drifted off to chape from the untineers—Threy were fired on by the Monnowth and Monarch, for an hour, and received four damage—They got off.

The Ardens made her cicape. The Ardens was the matineers were permitted to fail—and they proceeded to London. Afterwards the red flag was again holited. The Negrons and the Agincount of 62, dropped down the river—The delegares finding sone of their companions had deserted them, intimated a with to fubmit on condition of pardon, struck the red flag, and pointed the flag, and boiled the train flag, but finding government refored to punish the leaders again boiled the flag of defance. It was diving one word of 63 fail.

the flag of dehims. It was along the heard 16 fail.

This is the the latest accounts in the paper of the rith. Some brand fides were exchanged between the Monmounth and Ardent, as the latter attempted to ofcape, by which the former had to men killed—the first licetenant of the Reputte sife had

The Mineron Posserior further mentions, thus Kusziosko was to fail from Brilled on the 20th Jone, in the Adriana, for this port.

That the indicager fent to the Directory to sak a passport for an English peace cannot, returned with information, that the French was willing to treat.

That Martinelemi, the new director, arrived at Paris on the 5th June.

That the king, in council laid offered poor gainess for Parker, president of the mensioners.

fered to be gaineas for farker, prefident of the medicers.

Augnil 9.

The profest held out by the fait accounts from England, is, that the diffurbances on board the Nore fleet will be fupperited. Government has been able to break their ranks, and that is half the battle. If government floud perfevere in measures of feverity, and the revolters should hear of the movements ou board admirely fing finite formation of the movements ou board admirely fing finite formation of the south of the movements ou board admirely fing finite formation of the south of the movements ou board admirely fing finite for the revolters in the Nore have loft, according to the late accounts, is not very confiderable, confitting of the Seraphis, Repullie, Leopard and Ardent, and a sloop of war not named; but what is important is, that this defection will, deditruit and jealouly among the crews, who, it is natural to suppose, was acach hasten to return under function, for fear of punishment, from being the last to hold out.
